WORLD MONUMENTS FUND

April 28, 2008

Subject: WHTour.org

To Whom It May Concern:

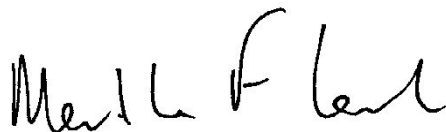

The World Monuments Fund (WMF) enthusiastically supports Tito Dupret's World Heritage Tour. The talent, determination, and dedication of Tito and his team are extraordinary and an inspiration to everyone working in the field of heritage preservation.

The WHTour has graciously donated panoramas for our website and printed materials—an invaluable tool for fundraising and educational outreach efforts. Many WMF supporters may never visit the sites we conserve, so being able to offer panoramic photography is a tremendous asset.

The images record the world's greatest works of artistic achievement and expressions of culture—many of which are seriously threatened, so in-depth documentation is essential.

I strongly encourage support for the World Heritage Tour. I would be more than happy to answer any questions or provide printed materials. Thank you very much for your consideration.

Sincerely,
